

Royalview Mountain Bike Trail

Royalview Trail Mill Stream Run Reservation

- **Type:** Mountain Bike
- **Length:** ± 9 miles in two loop trails
- **Cost (design & construction):** ~\$50,000
- **Funding Sources:** Emerald Necklace Endowment Fund and over 1,500 hours of volunteer work by Student Conservation Association and the Cleveland Area Mountain Bike Association (CAMBA)

- **Yellow Trail** - 3.53 miles bike or hike. This trail meanders through young forests and passes by an old foundation and chimney. Enjoy gentle climbs and beautiful creek views.
- **Red Trail** - 5.49 miles bike or hike. The Red Loop offers challenging slopes and ravines with dramatic river views through a quiet pine forest. It also features an optional "out and back" section that is 1.16 miles round trip.
- **Sugar Bush Trail** - 1.18 miles hike only. Traveling along the top of a ravine, this trail offers creek views and connects to both the Red and Yellow trails.

- Trail Safety & Etiquette**
- Hikers may use any trail, bike on designated trails only.
 - Help us preserve quality trails, don't ride or hike when muddy.
 - Stay on established trails to protect fragile plant and animal life.
 - Share the trail. Bikers yield to hikers.
 - Control your speed and maintain a safe distance.
 - Wear a helmet.
 - Pack out your trash.

Restrooms No Bicycles Permitted Parking

Royalview Mountain Bike Trail

The Good Stuff

- **Amenities:** Two loop trails, including 34 bridges, and 900' of boardwalk
- **Connections to other non-project assets:** Located in Mill Stream Run Reservation in Strongsville; Royalview Picnic Shelter and the Cleveland Metroparks All Purpose Trail are also located nearby

Royalview Mountain Bike Trail

Unique!

- **Benefits to the Public:** Second Cleveland Metroparks dedicated mountain bike facility (opened June 2012)
- **Environmental enhancements:** Low-impact construction techniques utilized, mainly built by hand
- **Partnership:** Cleveland Metroparks, Student Conservation Association, and CAMBA
