# Dunham Road Greenway Project

- **Amenities**  
 The project will complete an “Off-Street Supporting Route” as Identified in the Greenway Plan. Existing 28’ wide pavement widened to 32’ for striped bike lane.
- **Connections:**  
 North end of project will connect to Metroparks’ Dunham Park.  
 South End the project will connect to Metroparks’ Bedford Reservation.  
 Project will connect to the Towpath Trail using Tinkers Creek Bike Lanes.

County: Cuyahoga  
 (Cuyahoga District 8)

7	City of Parma	Urban Street Greenway Tree Planting	Tree Planting	\$100,000.00	\$100,000.00	\$100,000.00	\$100,000.00

- **Unique!**
- **Benefits to the Public:**  
 The City of Maple Heights has one of the largest possible planting areas in the County per the Cuyahoga County Tree Canopy assessment.
- **Environmental:**  
 Maple Heights Tree Canopy Coverage at 23.2% far below the County Average of 37.6%.  
 Through a Health Urban Tree Canopy Grant, the City will be planting 71 trees.
